## Plu restaurant

### **Best International Fine Dining Experience 2021**

A fine dining restaurant in St John's Wood, serving a modern international menu with a French accent.

The aim at PLU is, simply, to provide the finest food and service for every single guest. Our values are our raison d'être and match the intimate setting and uncompromising ideals.

PLU is the creation of chef Elliot Moss, who began his career at Le Gavroche, and is the culmination of Elliot's many years of experience of Michelin star restaurants and his quest for culinary excellence.
